## ***Healing Scripture***

*Luke 4:18-19, 21*

*The Spirit of the Lord is upon Me, because He hath anointed Me to preach the gospel to the poor; He hath sent Me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord. And He began to say unto them, "This day is this scripture fulfilled in your ears."*

**Proverbs 4:18**

**But the path of the just is as the shining light, that shineth more and more unto the perfect day.**

Who are the just? They are those who have accepted Christ as their Lord and Savior and seek His righteousness to live by. As the believer goes through life they walk on the straight and narrow path. Jesus becomes the center of your life, His light is on the inside and it should shine outward to the world. In John 1:9 Jesus is referred to as the true Light which gives light to every man coming into the world. Even though Christ came and died for all men, not all men know or understand the Light that is in this world. That is why it is imperative that everyone who calls themselves a Christian let that light shine. The world is dark and people are blind, they do not know the truth. Many have been exposed to religion and have never experienced any light that made a difference in their life spiritually. For the believer our light will shine more and more until the perfect day. How does that happen? Once the Seed of Christ (the Word) has been planted in our heart (the soil) we begin to grow. The Seed in you should be watered by the Word of God daily. As we grow in the wisdom and knowledge of God our light will shine brighter and brighter. The cares and the riches of this world mean little, but spiritual things such as pointing others to Jesus, being baptized in the Holy Spirit, and seeking spiritual gifts become more desirous. When a Christian is growing God is able to use that person more and more. If going to church is the extent of you're being a Christian, then you are still a baby Christian. There is much work to be done for the Kingdom of heaven. There is not a pastor alive that would not love to have people asking what they can do to help the church physically and spiritually. Even better is when people see a need they step up and do what needs to be done. For the believer the perfect day referred to in Proverbs 4:18, (if the Lord carries), may be the day you go home to be with Jesus. When you have grown as far as you are able spiritually and completed what God has called you to do, you are perfect. For the church, the perfect day will be the return of Jesus and our glorious departure from this world. Until then we are to shine bright for Jesus. Judy Onofri
